

About my cats

¹**Tiger** is my favorite cat.

He is very cheeky ! Once, he got up into the roof ! He made Velvet go to, because she doesn't like being alone.

He gets into all sorts of bad stuff. But, he is so cute, he can kind of make *puss in boots* eyes ! His nickname is "puss in boots" or "bagpipes", because when you pick him up he squeals. I think its funny !

He loves cuddles !

²**Velvet** is smoochy.

She rubs you and purrs loudly some times. She loves pats ! She hates dogs ! But she is getting good around my dog.

Usually, Velvet doesn't like cuddles, but sometimes she does.

She followed Tiger up into the roof once !

Velvet's nickname is "smoochy".

We have a plant watering water bottle, which we use to squirt the cats, if they have been very bad !
